Uninvited: Living Loved When You Feel Less Than, Left Out, and Lonely – Lysa TerKeurst

In *Uninvited*, Lysa shares her own deeply personal experiences of rejection—from the perceived judgment of the perfectly toned woman one elliptical over to the incredibly painful childhood abandonment by her father. She leans in to honestly examine the roots of rejection, as well as rejection's ability to poison relationships from the inside out, including our relationship with God. With biblical depth, gut-honest vulnerability, and refreshing wit, Lysa reminds us we are destined for a love that can never be diminished, tarnished, shaken, or taken—a love that does not reject or uninvite.
